CPCCC RESOLVES TO STRENGTHEN
"RESIST AMERICA, AID KOREA" MOVEMENT

Peiping, 24 October (Hsin-hua) -- The third session of the National Committee of the Chinese People's Political Consultative Conference today adopted a "Resist America, Aid Korea" resolution, which states in part:

This meeting pledges its full support to the Chinese People's Volunteers and the Korean People's Army in their rightful struggle, until the Korean question is settled fairly, rationally, and peacefully. The meeting considers that the "Resist America, Aid Korea" Movement must be intensified as long as the US imperialists persist in occupying Taiwan, making air attacks on our country, militarizing and occupying Japan, blockading our country, and committing sabotage and other hostile acts.

The meeting hereby agrees to and designates the China Peace Committee at all levels to propagandize and acquire support from various organized groups in carrying out the following seven-point program:

1. Continue to mobilize manpower and resources to support the Chinese People's Volunteers and the Korean People's Army on the Korean front.
2. Continue to develop and intensify patriotic education along the "Resist America, Aid Korea" lines.
3. Eliminate all special agents, espionage elements, and all aggressive activities of US imperialism in China.
4. Develop a large-scale patriotic production increase and austerity campaign, and strengthen the "Resist America, Aid Korea" movement, as well as national reconstruction potential.
5. Continue to expand the arms donation campaign.
6. Increase activities for taking care of the families of military personnel and martyrs.
7. Popularize and intensify the patriotic pledges movement.
